SAFETY FEATURES

Fuel Tank Capacity

- RISE (Reinforced Impact Safety Evolution) **Body Construction**
- 7 Airbags
- Side-impact Protection Bars
- ISOFIX Child Seat Anchors
- / ASTC (Active Stability and Traction Control)
- ABS (Anti-lock Braking System)
- EBD (Electronic Brake-force Distribution)
- BAS (Brake Assist System)
- HSA (Hill Start Assist System)
- DRL (Daytime Running Lights)
- Speed-sensing Auto Door Lock
- Rear View Camera
- Keyless Operating System
- High-mounted Rear Stop Lamp (Tailgate)

POWER AND PERFORMANCE

- Super Select II 4WD System*
- Electronic Off-road Assistance*
- Hill Descent Control*
- Rear Diff Lock*
- 3100kg*/2790kg Towing Mass (Braked)
- 31° Approach Angle
- 29° Departure Angle
- 25° Ramp Breakover Angle

EXTERIOR

- LED Headlamps with Levelling Device
- Auto Lighting Control / Front Rain-sensing Wipers (MY22 models only)
- Electrically Adjustable Fold-away Mirrors with Indicator Light
- Rear Window Demister
- / 18" Alloy Wheels

INTERIOR

- Tilt and Telescopic Adjustable Steering Column
- Multi-function Leather Steering Wheel with Audio and Cruise Control
- Bluetooth with Hands-free Voice Control
- / Touch-screen Radio/CD and MP3 Player
- / Dual-zone Automatic Air-conditioning
- Rear Cooling/Heating Vents for Passengers in the Hood Lining (MY21 models only)
- / Electric Windows
- **USB and Accessory Sockets**
- Driver's Seat Seatbelt Reminder (MY22 models only)
- / Leather Seats
- / Electrically Adjustable Driver Seat
- / Chromatic Rear View Mirror

SUPER SELECT II 4WD SYSTEM*

Mitsubishi's unique Super Select II 4WD system offers four different drive modes for improved driver control and passenger safety. The 4H drive mode distributes torque in a 40:60 ratio between the front and rear wheels for safer on-road driving in slippery conditions i.e. dirt, gravel and wet roads. 4HLc (4WD High range with CD locked) distributes torque equally between the front and rear wheels for improved traction on sand, dirt and slippery surfaces like snow. 4LLc (4WD Low range with CD locked) provides greater torque for extreme offroad conditions

ELECTRONIC OFF-ROAD ASSISTANCE*

To further enhance the off-road experience provided by the unique Super Select II 4WD System, Hill Descent Control has been added for additional safety when on dangerous ground. In addition, the selectable Off-road Mode maximises traction on unsealed surfaces. The additional electronic assistance allows the driver to select either the Gravel, Mud/Snow or Sand mode in 4HLc to suit surface conditions and optimise engine output, transmission settings and braking for superior traction. The additional Rock setting can be engaged in 4LLc.

6-SPEED AUTO TRANSMISSION

The Triton combines a powerful 2.4L MIVEC Turbo Diesel Engine with an all-new 6-speed Automatic Transmission with Intelligent Shift Control, delivering the optimum balance of engine power, fuel economy and interior quietness with smooth acceleration at low engine revolutions. Replacing the 5-speed automatic, the new 6-speed Automatic Transmission feels progressive and is easy to modulate, shifting decisively and smoothly. One of the outstanding features of the new 6-speed Automatic Transmission is its quiet operation in all modes

Manufacturer's Warranty: 3 year / 100 000km. Road Side Assistance: 5 year Unlimited Mileage. Service Plan: 5 year / 90 000km. Service Intervals: Every 10 000km.
